Dated, Mysore, 12th December '43

FROM

R. RAMACHANDRA RAO BHOMBORE, ESQ., B.A.,
Rationing ~~Authority~~, ~~Officer~~,
Mysore City, MYSORE.

TO

CHARLES E. NORONHA, ESQ., M.A.,
Secretary
to the Government of Mysore,
Development Department,
Civil Supplies, BANGALORE.

Sir,

Staff for the Central Rationing Office,
Mysore City.

With reference to your letter No.S.D.3023/A.104-43-18 dated 11-11-1943 enquiring whether the staff sanctioned in G.O.No.S.D.2339-43/A.104-43-10 dated 25-10-1943 could not be utilised for the Central Office, I have the honour to state that the staff sanctioned in Government Order referred to above is quite inadequate in view of the fact that the work in the Rationing Office is increasing day by day. Further only one clerk on Rs.30/- has been sanctioned for licensing work and for this purpose, the services of the clerks sanctioned for other items of work have to be appropriated in the rationing office.

In view of the above circumstances, I request you kindly to communicate the orders of Government according sanction to the staff proposed already in my letter No.R. 59/43-44 dated 29-10-1943.

I have the honour to be,
Sir,
Your most obedient servant,

Rationing Officer,
Mysore City.

During my visit to Mysore last month, I discussed with the Chief Rationing Officer the need and desirability of having a separate office for him with a personal staff of one Head Clerk and one Deputy Clerk. The Chief Rationing Officer is not keen on having a separate staff as proposed. At present the papers are brought to him in a complete form and are sent back with his orders. This procedure may be continued. The Chief Rationing Officer is however keen on having a Stenotypist for work with him as he says that the Stenotypist of the Municipal Offices is over worked and grant of an allowance to him will not do. I put it to him that there may not be full time work for a Stenotypist entirely for work with him. He does not agree. Though at present there is some ~~truth~~ trouble due to the distance of the Exhibition Buildings where the Rationing Office is situated in making use of the Stenotypist of this office, I am told that the Office will have to be shifted shortly. In any case, the proposal for a Stenotypist is not before Government now and it may be considered when it is submitted for sanction. The present proposal may therefore be dropped.
